

Make a joy - ful noise to God all the earth,

sing the glo-ry of the Lord, sing his glo-rious prai-ses.

Say to God "How awesome your deeds,  
great your power against all your foes.  
All the earth shall worship you,  
celebrate you, sing praises to your name".

Come, behold the works of his hand,  
great his deeds with all humankind.  
Reigning ever by his might,  
let no rebellious people rise in pride.

Bless the Lord, all nations of earth,  
voice his praise and let it be heard.  
God, who holds our lives secure,  
yet though he tests us, keeps our footsteps sure.

You have brought us into the snare,  
on our backs laid sorrow and care.  
Fire and flood and armies rose,  
yet in the end you lead us safely home.
